OUTDOOR LOCATIONS ON LAND

BARE SPACE

Your space design MUST be submitted to the organiser for pre-approval by 31 July 2026 at the latest (approval finalised by the Safety Commission the day before opening).
The occupation of any surface for which the order of the exhibitor has not been previously approved by RX France is strictly prohibited.

		BARE SPACE (BOATS OR EQUIPMENT ON LAND)	BARE SPACE IN FRONT OF BOAT[1] (MANDATORY)	BARE SPACE FOR TENDER AREA
SURFACE		Minimum 30 sqm (excluding toy space)		Minimum 30 sqm

PRICES	€**220** excl. VAT/m	€**318** excl. VAT/m				€**100** excl. VAT/m

HOW TO CALCULATE YOUR QUAY FRONTAGE?

The diagram opposite shows what is known as a “quay frontage”.

Here’s how to calculate it:

1/ Take the total beam (width) of your boat(s).

2/ Add 30 to 50 cm/boat for fenders + 2.50 m per pontoon (if applicable).

Our sales team is available to help you calculate your required frontage, which may vary depending on the location allocated to you.

[1] To display a tender in the Tender on Water area, a boat must be displayed in the Tender on Land area. Pre-owned boats displayed in the Port Canto Yacht Brokerage Area are accepted from 25 metres in length.
[2] The surface area corresponds to the overall length x width in metres, with a minimum chargeable surface area of 30 sqm. Boats less than 10 metres in length are not permitted to float in the Vieux Port. New motorboats less than 8 metres in length are not permitted to float in Port Canto.
[3] Until 30 April 2026, you have the option to cancel certain boats in the water ordered at no cost, up to a limit of 20% of the number of boats in the water ordered. Please refer to Article 4 of the appendix that will be sent to you with your quotation for details on how to exercise this cancellation option, including the number of boats afloat that can be cancelled at no cost.
[4] Pontoons and gangways required for your floating configuration will be invoiced according to the size of these pontoons, including gangways, at the current rates. A quote will be sent to you at a later date.

⚠ For your boats in the water and on land, it is mandatory to complete the “technical information” form.

CREW WRISTBANDS: For safety reasons, every person staying on a boat on display MUST wear a Cannes Yachting Festival crew wristband on their wrist, even outside the show’s opening hours. This non-transferable wristband allows 24-hour access to the show.
Visit your Exhibitor Area from April 2026 onwards to order the crew wristbands you need and fill in the required information.

The order form will be available **HERE**.

From 17 July to 21 August 2026: the feasibility of your order will no longer be guaranteed and **a 10% surcharge will be applied.**

From 22 August 2026: orders may be refused if they are not technically feasible. They must be placed **from 6 September 2026** at the Exhibitor Reception Desks and will be fulfilled subject to availability and/or feasibility with **a 100% surcharge.** For exhibitors with several boats afloat, only one boat may be connected to the power supply at a time. It is strictly forbidden to make unauthorised connections or modify the existing installations in any way. Exhibitors must be equipped with adapters that comply with European standards.
