

Exploring is more than a destination. It's about the journey, the owners who set out to find a new liberty, and the people who tell the stories. This September, Deo Juvante is proud to welcome the international press to one of the most important gatherings in the yachting world: the Cannes Yachting Festival.

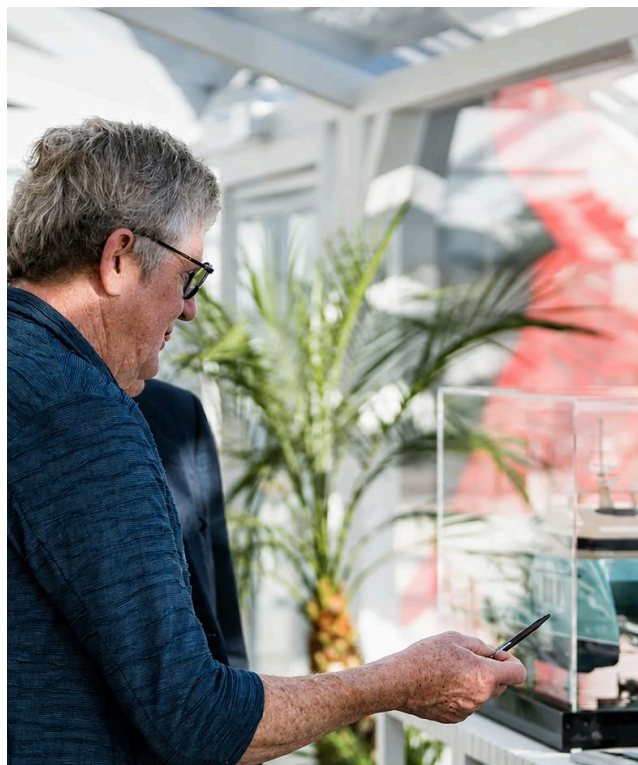

## Exclusive press partner in Cannes

From **8 to 13 September**, Deo Juvante takes on the role of exclusive press partner of the Cannes Yachting Festival 2026. Throughout the week, we are hosting the international press in two dedicated rooms: at the Vieux Port for motor yachts, and at the Port Canto for sailing yachts and brokerage. Both spaces serve the people who tell the stories that matter.

## Immerse yourself in Deo Juvante

You are warmly invited to visit us in person at the **Deo Juvante booth – Le Palais no. 071**, right at the **Vieux Port**. There, you can discover the Deo Juvante philosophy, explore our innovative yachts, and learn what it means to stand on the owner's side of the table – from first dream to final delivery.

## Request your interview with Thierry Verstraete

Would you like to get the chance to sit down with Deo Juvante founder Thierry Verstraete? We are delighted to offer you an exclusive one-to-one conversation. Each interview includes full video coverage, professional photography, and behind-the-scenes content, which our team will edit for social media. As a thank-you, you will receive a copy of all final deliverables.

To arrange your interview, simply **email at [info@spartanmediagroup.ca](mailto:info@spartanmediagroup.ca)**  
See you in Cannes!

“At Deo Juvante, we do not start with yachts.  
We start with the life the owner wants to live. We look forward to sharing our story with the people who tell it best.”
